MUHAMMAD RIZWAN JAVED

Administration & Operations Manager | Project Management | EHS (IOSH Certified)

Riyadh, Saudi Arabia | +966 59 425 7907 | rixwanali@ymail.com

PROFESSIONAL SUMMARY

Results-driven Administration and Operations Manager with 11+ years of progressive experience in the telecommunications sector, spanning office administration, project management and Environment, Health & Safety (EHS) leadership. Proven ability to streamline operations, optimise resources, control budgets and implement efficient systems that elevate productivity. Adept at leading cross-functional teams, negotiating with vendors and partnering with senior management to deliver strategic objectives. Recognised by Huawei and LCC A-TechM with multiple awards for project delivery, safety leadership and outstanding performance.

CORE COMPETENCIES

Administration Management | Operations Management | Project Management | Planning & Execution | Service Delivery Management | Budgeting & Cost Control | Vendor & Contract Management | Facilities Management | Policy & Procedure Development | Logistics Management | Risk Management | EHS Management | Records & Document Control | Stakeholder Management | Team Leadership | Conflict Resolution

PROFESSIONAL EXPERIENCE

LCC A-TechM — Riyadh, Saudi Arabia | Jun 2015 – Present

Admin Manager — Nov 2020 – Present

- Direct end-to-end office administration and day-to-day operations, including facilities maintenance, supplies, equipment and space utilisation, ensuring seamless business continuity.
- Lead, mentor and supervise the administrative team, delegating responsibilities, setting clear priorities and fostering a culture of accountability and operational excellence.
- Develop, monitor and control administrative budgets, identifying cost-saving opportunities and enforcing disciplined expense management.
- Formulate and implement administrative policies, SOPs and procedures that strengthen compliance, standardise workflows and enhance organisational efficiency.
- Negotiate and administer vendor and service-provider contracts, monitoring performance against agreements to ensure quality, timely and cost-effective service delivery.
- Oversee facility security, health and safety, leveraging IOSH-certified EHS expertise to maintain a safe, secure and compliant workplace.
- Establish robust records management and document control, maintaining accurate, audit-ready files in line with company policy and regulatory requirements.
- Partner with senior management to shape and execute administrative strategies aligned with organisational goals, acting as the key liaison between departments to accelerate coordination and decision-making.
- Resolve administrative issues and workplace conflicts promptly and diplomatically, sustaining strong relationships with internal and external stakeholders.

Project Manager — Nov 2017 – Oct 2020

- Spearheaded the planning, execution and close-out of telecom projects, consistently delivering on schedule and within approved budgets.
- Served as the primary point of contact for clients, vendors and internal teams, ensuring transparent communication and alignment on project scope and objectives.
- Allocated and optimised resources, including manpower, equipment and budget, across concurrent projects to maximise efficiency and productivity.
- Proactively identified, assessed and mitigated technical, regulatory and market risks through structured risk management plans.
- Monitored progress against milestones and KPIs, delivered status reports to stakeholders and implemented corrective actions to keep projects on track.
- Coordinated logistics, materials and field teams to ensure smooth, high-quality service delivery across project sites.
- Earned multiple project completion awards from Huawei for successful, high-quality delivery.

EHS Lead **Jun 2015 – Oct 2017**

- Conducted comprehensive hazard identification and risk assessments across workplaces and telecom sites, implementing effective control measures.
- Ensured full compliance with environmental, health and safety regulations as well as client EHS standards.
- Developed and implemented emergency response plans covering accidents, incidents and natural disasters.
- Designed and delivered safety training to employees and field teams, embedding safe work practices and a strong safety culture.
- Led thorough accident and incident investigations, performing root cause analysis and driving corrective and preventive actions to prevent recurrence.
- Recognised with the Best EHS Lead award from Huawei for outstanding safety leadership.

KEY ACHIEVEMENTS

- Received multiple Successful Project Completion awards from Huawei.
- Received the Best EHS Lead award from Huawei.
- Received multiple Best Employee of the Year awards from LCC A-TechM.
